

## Children in Care Policy 2024

The Link Academy Trust is a company limited by guarantee and an exempt charity, regulated by the Education & Skills Funding Agency (ESFA). All Members of the Board of Trustees of the exempt charity are also Directors of the company; the term 'Trustee' used in this Policy also means Director. This Policy applies to all academies within the Link Academy Trust.

### **Introduction**

A child who has been in the care of their local authority for more than 24 hours is known as a 'looked after child'.

Looked after children (LAC) are also often referred to as 'children in care', a term which many children and young people prefer and which we will use for this policy. This may refer to children:

- living with foster parents/carers
- living with friends or relatives, through kinship foster care
- living in a residential children's home
- living in residential settings like schools, secure units or semi-independent living accommodation.

Under the Children Act 1989, a child is in the Care of the Local Authority if he or she is provided with accommodation for more than 24 hours by the Authority. This includes the following:

- (a) Children who are accommodated by the Local Authority under a voluntary agreement with their parents;
- (b) Children who are the subject of a Care Order or Interim Care Order;
- (c) Children who are the subject of Emergency Orders for the protection of the child.

A Previously Looked After Child is one who is no longer looked after in England and Wales because he/she is the subject of an Adoption, Special Guardianship Order or Child Arrangements Order which includes arrangements as to with whom the child is to live, or when the child is to live with any person, or has been Adopted from state care outside England or Wales and; A child is in 'state care' outside England and Wales if he/she is in the Care of, or accommodated by, a public authority, a religious organisation or any other organisation, the sole or main purpose of which, is to benefit society.

### Legal Framework

- From 1 September 2009 all Governing Bodies were required under the Children and Young Persons Act of 2008, to appoint a Designated Teacher to promote the educational achievement of Children in Care;
- The Families Act of 2014 also required all Local Authorities to appoint a Virtual School Headteacher to ensure that the educational achievement of Children in Care was seen as a priority and to ensure arrangements were in place to improve their educational outcomes;

- Previous legislation and guidance from the Department for Children, Schools and Families (DCSF), Department for Education (DfE) and the Department of Health (DH) requires schools to have effective policies for supporting and promoting the education of Children in Care;
- The 2018 Statutory Guidance for Schools and Local Authorities which extended some responsibilities to Children Previously in Care. These responsibilities are not as extensive as those for Children in Care but the expectation is that there is a Designated Teacher and the likelihood is that it would be the same person as for Children in Care.

Many children who enter care have been abused, neglected or experienced other forms of trauma. For example, unaccompanied asylum-seeking children have often experienced trauma in their home country or during their journey to the UK.

These experiences can leave children with complex emotional and mental health needs, which can increase their vulnerability to abuse.

### **Rationale**

### **Admissions and Transitions**

We will:

- Prioritise the admission of Children in Care, and those who have been adopted or who have a Special Guardianship Order, within our own Admissions procedures in order to admit students without delay, recognising the importance of re-establishing academy stability for Children in Care;

- Arrange a Planning for Success meeting as outlined in the Devon County Council Protocol for Supporting Children in Care in Schools;
- Ensure that all Children in Care meet the Designated Teacher regularly who will identify any relevant issues, academic or pastoral;
- Ensure a warm welcome to our academies by providing appropriate induction for all Children in Care, following the Protocol for supporting Children in Care in Schools so that there is a smooth and successful transition which includes Carers and parents where appropriate;
- Meet with the Area Learning Advocate to make sure that on admission or transfer all relevant information records are obtained at the outset;

- We recognise that Children in Care often need higher levels of transition support and will use the Devon County Council Transition Guidance and provide children and young people with the Transition Booklet.

#### **Attendance (Associated Policy: Virtual School Attendance Policy)**

We will:

- Promote the good punctuality and attendance of Children in Care, and where the attendance for a Child in Care becomes a concern and falls below 95%, inform the Virtual School and work with them and the EWO to improve attendance;
- Inform the Parent/Carer or Social Worker if there are any concerns about attendance or punctuality;
- Make attendance a priority in any education meeting, celebrating success and setting realistic targets if it is a concern.

#### **Suspensions and Exclusion**

**We recognise that the challenging behaviour of some Children in Care and those previously in Care is strongly related to traumatic life experiences.**

We will:

- Aim to use alternatives to suspensions or exclusion as a sanction for Children in Care, for example restorative approaches and the Relational Support Plan;
- Inform the Virtual School as soon as there is a suspension, exclusion or a risk of exclusion;
- Actively follow the DCC SUPPORTING CHILDREN IN CARE protocols

Information for schools, settings and governors – Education and Families ([devon.gov.uk](http://devon.gov.uk));

- Engage with interventions provided by the Virtual School and the Educational Psychology Service to avoid exclusion, such as the REDS (Reducing Exclusions in Devon Schools) programme.
- 

#### **Personal Education Plans (PEPs) and Personal Education Allowance (PEA)**
